ORDA awarded globally the ESQR's Quality Choice Prize 2016!

The Organization for Rehabilitation and Development in Amhara (ORDA) is awarded internationally for the efforts & contribution it made in achieving livelihood changes & environmental security in Amhara region of Ethiopia. The ESQR's Quality Choice Prize 2016 which has been held on Monday, December 12, 2016, in Berlin (Germany) awarded ORDA for its best performing sustainable development activities.

The European Society for Quality Research (ESQR), based in Lausanne (Switzerland), handles strategic questions in quality management and promotes Quality Culture and continuous improvement in Quality through the annual Conventions, which serve as a global forum to perfect quality management techniques and provides an excellent networking opportunity for all participants.

Selected organizations, public administrations and companies from Europe, Asia, the

ORDA awarded globally the ESQR's Quality Choice Prize 2016!
